# WE'VE GOT A BIG HISTORY

Bisley's rich history dates back to the 1950s and the brand has long been regarded as one of Australasia's most trustworthy, solid and honest.

Bisley is a part of Gazal, founded by Joe Gazal in 1958. Gazal has had a major role in shaping the Australian clothing industry for over 50 years and today is one of the largest publicly listed branded apparel companies in Australia with over 1300 employees.

Based in Sydney and listed on the Australian Stock Exchange (ASX), Gazal is still very much a family company that prides itself on old-fashioned values like quality, value for money and exceptional service.

At Bisley, these values combine with the very latest in innovative technologies to deliver the very best Workwear, Protective Wear, Safety Wear, Casual Wear and Business Wear for men and women.

As in years past, Bisley's competitive pricing, exceptional quality and accessibility sets it apart from the competition, making it one of Australasia's fastest growing Workwear brands.

# A BIG COMPANY WITH BIG IDEAS

Bisley delivers cutting-edge Workwear via our research and development team with a combined 80 years of experience in fabric and garment manufacture.

We combine this seasoned knowledge with youthful designers who are constantly challenging the status quo in BIG ways.

Bisley attends and sponsors BIG trade shows globally as part of our research and development, which allows us to source and apply the newest technology to our Workwear and Safety Wear garments.

# ...AND BIG PARTNERS

Bisley also partners with the biggest and best companies and independent testing laboratories to maintain the ongoing highest quality and compliance of Bisley garments.

We make sure that all our garments get the BIG tick in terms of compliance, that's why we use Qualspec. An Australian company owned and operated for almost 20 years with two expert laboratories on the ground in China. They make sure that every product meets the performance requirements in terms of colourfastness and dimensional stability prior to hitting the BIG button on production.

Our own internal Quality Control Team inspects over four million units per year in order to meet our own BIG standards. All units are quality assured and SCI QUAL International to standard AS/NZS ISO 9001:2008. That's why we meet all relevant compliance to Australian and New Zealand standards for raw materials and garments via our work with the CSIRO, AWTA and NZWTA.

# WE'RE BIG ON SAFETY

Bisley Workwear offers the highest level of protection to deliver a strong health and safety solution.

In recognition of global safety standards and requirements, Bisley has developed and sourced a range of protective fabrics and treatments that protect workers across a broad range of hazardous environments.

Whether the risk is from heat and flame, insect transmitted diseases, climate or work-site specific, there is a safety solution for all situations. From a single line of defense to multiple treatments on one garment, worker health and safety is our paramount concern.

Bisley are members of SAI Global and receive regular updates to all Australian and international safety standards.

## AUSTRALIAN AND INTERNATIONAL STANDARDS

### AS/NZS 4602.1:2011

This standard covers the needs of workers in situations where vehicles may be approaching them at speed, in time for any necessary safety action to be taken, or any other industrial situation of similar risk levels where workers need to be seen at distance, against a complex visual background.

### AS/NZS 1906.4:2010

Bisley Safetywear garments use high visibility materials made from durable woven or knitted fabrics and are tested for high daytime visibility. Our high quality fabrics and tapes are tried and tested to this standard to ensure you're protected in high risk situations.

### AS/NZS 4399:1996

All garments that comply with this standard deliver ultraviolet protection, commonly known as UPF. Where the most effective sun protection is required, we recommend a garment that covers the full arm and leg area and has a sun protection rating of UPF 50+.

### AS/NZS 1020:1995

Bisley Workwear offers a large range of natural cotton fibre products, which naturally avoid the generation of static electricity by remaining neutral, therefore increasing the wearer's comfort.

### AS/NZS 2392:1999

Bisley Workwear garments meet the requirements of AS/NZS 2392:1999 which outlines the method for permanent labelling with the brand name, size, care instructions, fibre content and country of origin.

### AS/NZS 2622:1996

Bisley Workwear garments meet the requirements of AS/NZS 2622:1996 which outlines the method for labelling of fibre content in textile products.

### AS 2001.2.18-1987

Bisley Workwear 'water proof' garments are deemed compliant when no water has passed through it over an 18 hour period. These garments have a water-repellent or water-resistant coating that stops moisture from reaching the wearer in wet weather conditions.

### ISO 14184-1.1998

Fabrics used in Bisley Workwear garments are tested regularly to ensure that naturally created formaldehyde levels are kept to the safe minimum standard set out by the ACCC (Australian Competition & Consumer Commission). Bisley Workwear garments are free from formaldehyde.

### AS/NZS 1957:1998

Bisley Workwear garments meet the requirements of AS/NZS 1957:1998 that outlines the care instructions needed to ensure proper care of the garment.

# BISLEY STOCKS A BIG RANGE

At Bisley, we keep a BIG range of Workwear, Safety Wear and Protective Wear in our BIG warehouse, so we can fulfill even the biggest orders.

Whether you're driving trucks in an open cut mine up in the Pilbara, running a highway-widening project in Queensland, or overseeing more building sites than you can count on two hands, no procurement job is too BIG for Bisley.

We work hard to create the toughest, safest and biggest range of Workwear you can buy, including a BIG selection of insect and weather protection, as well as flame resistant gear.

For the BIG jobs ... it's Bisley.

# A BIG DEAL FOR THE BIG JOBS

Bisley is the market leader in specialist branded apparel and our experienced Business and Product Managers can provide proactive solutions for any sized job.

We put our customers first every time, with industry-best daily replenishment order fulfilments, consistent quality performance and service that exceed their expectations.

We value integrity, so we do what we say we're going to do, on time and on budget.

We continually invest in marketing our brand, combining large company thinking with the values, execution, efficiency, flexibility and agility of a small family operation. We think long-term.

#### OUR PRINCIPLES

In addition to servicing even the biggest orders, we pride ourselves on a set of Corporate and Social Principles comprising Equal Opportunity, Integrity, Respect, care for the Environment and Dedication.

Adherence to these values and standards by the people and companies we do business with is a prerequisite for continuing or establishing relationships with our company.
